Introduction/Overview

Surgifort Industries, established in **2018**, carries forward a **40+ year legacy** of excellence in surgical instrument manufacturing. Owned by the **3rd generation** of a dedicated surgical family, Surgifort operates under the leadership of **Mr. Shakir Ali**, a visionary who previously partnered in the family's mother company that began in the **1980s**. Combining traditional craftsmanship with modern technology, we specialize in producing **high-quality surgical, dental, and healthcare instruments** that meet international standards.

With **ISO 9001:2015, ISO 13485:2016, and CE Marking** certifications, Surgifort ensures precision, durability, and reliability in every product. Our commitment to innovation and excellence has allowed us to serve clients across **Europe, North America, the Middle East, and Africa**, providing tailored solutions for hospitals, clinics, and healthcare distributors worldwide.

Key Team Members

Mr. Shakir Ali
Founder & CEO

A seasoned expert with decades of experience in surgical manufacturing, leading Surgifort Industries with unmatched passion and vision.

Mr. Sheharyar Ali
Producing and Export Manager

Combining expertise in product design and business management to drive innovation, global outreach, and customer-centric solutions for growth.

Mr. Ahmed Surfraz
Accounts and QC Manager

Driving operational excellence and financial accountability with a strong foundation in business management and a commitment to quality.

Vision, Mission Products & Services

Vision

At Surgifort Industries, our vision is to be a global leader in the surgical instrument industry by delivering precision-engineered products that redefine excellence in healthcare. We aim to foster innovation, set industry standards, and build lasting relationships with our clients through trust, integrity, and superior service.

Mission

Our mission is to support healthcare professionals worldwide by providing them with cutting-edge surgical instruments that enhance patient outcomes. Through unwavering commitment to quality, continuous innovation, and a customer-first approach, we strive to exceed expectations and set new benchmarks in the industry.

Products

- **Surgical Instruments:** General surgery tools, orthopedic instruments, cardiovascular, neuro, and custom-designed instruments.
- **Dental Instruments:** Extraction forceps, scalers, probes, elevators, and periodontal tools.

Services

- **Customized Manufacturing:** Bespoke instruments tailored to specific medical needs.
- **Repair and Maintenance:** Comprehensive care to extend product life and performance.
- **Turnkey Solutions:** Full surgical kit assembly and supply.
- **Sterilization & Packaging:** Certified, sterile, and ready-to-use packaging.
- **OEM Services:** Private label manufacturing with uncompromised quality. tools.

Surgifort Industries—Empowering healthcare professionals with precision-crafted tools to deliver exceptional care globally.

Manufacturing Capabilities

In-House Processes

3D Designing:

Crafting precise designs using advanced 3D CAD technology.

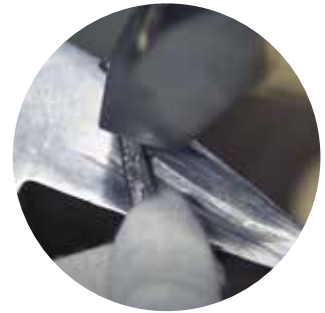

Machining:

Precision cutting and shaping using advanced lathe machines, wire-cutting, and laser-cutting technology.

Grinding:

Precision grinding for achieving sharp edges and smooth surfaces.

Rivet Setting:

Assembling and securing instrument components with accuracy.

Finishing:

Meticulous final touches to ensure surface perfection and usability.

Cleaning & Passivation:

Ensuring corrosion resistance and a sterile finish.

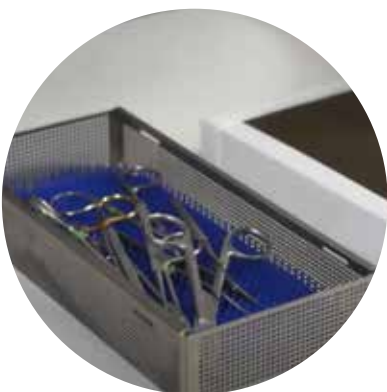

Laser Marking:

Permanent engraving for branding and traceability.

PVD Coating:

Durable coating for wear resistance and improved performance.

Kit Packing & Packaging:

Customized instrument packaging for specific surgical needs.

Manufacturing Capabilities

Outsourced Processes

1. **Forging:** Shaping raw materials into durable forms for surgical instruments.
2. **Annealing:** Controlled heating to enhance material strength and flexibility.
3. **Shot Blasting:** Surface treatment for a smooth, refined finish.
4. **Heat Treatment:** Hardening and tempering for enhanced durability.
5. **Electro Plating:** Coating surfaces for superior protection and aesthetic appeal.
6. **Electro Polishing:** Achieving a mirror-like finish for enhanced usability.
7. **Welding:** Assembling complex components with precision.
8. **Injection Molding:** Crafting durable plastic components and handles.
9. **Powder Coating:** Applying a high-quality, protective finish to metal surfaces.
10. **Sterilization:** Ensuring instruments are sterile and ready for medical use.

Quality Assurance at Surgifort Industries

At Surgifort Industries, we prioritize quality with a commitment to excellence in every surgical instrument we manufacture.

Key Quality Practices:

- **ISO Certified:** Adhering to ISO 9001:2015 and ISO 13485:2016 standards.
- **In-House Control:** Rigorous inspection and testing at every production stage.
- **Precision Manufacturing:** Ensuring reliable, high-precision instruments.
- **End-to-End Traceability:** Complete traceability from raw materials to final product.
- **Continuous Improvement:** Regular reviews and customer feedback integration.

Our quality assurance ensures the highest standards in performance, safety, and reliability.

Target Market, Global Presence & Clients

At Surgifort Industries, our target market spans globally, catering to healthcare professionals, hospitals, clinics, and distributors across a wide range of surgical specialties

Target Market:

- 1. Hospitals & Healthcare Facilities:** Providing precision surgical instruments to major medical institutions and specialty clinics.
- 2. Distributors & Exporters:** Partnering with leading distributors worldwide for the wholesale supply of surgical products.
- 3. Private Healthcare Providers:** Offering tailored solutions for smaller hospitals and private clinics.
- 4. Government & NGOs:** Supplying surgical instruments for public healthcare systems and international aid organizations.

Global Presence:

- 1. Export Markets:** Our products reach Europe, the Middle East, North America, Africa, and Asia, with a robust network of clients and partners.
- 2. Client Portfolio:** Our clients include Ministries of Health, private healthcare providers, multinational healthcare distributors, and government agencies.
- 3. Regional Operations:** We maintain direct sales and distribution partnerships globally, ensuring our instruments are available across major markets.
- 4. Ministry of Health, Morocco:** We are proud to have an established contract with the Ministry of Health in Morocco, reinforcing our presence in the African healthcare sector.
- 5. Future B2C Expansion:** We are planning to expand our reach by offering our products on major e-commerce platforms like eBay and Amazon, bringing our high-quality surgical instruments directly to consumers.

Our Clients

Our clients include hospitals, healthcare facilities, private clinics, distributors, government ministries, NGOs, and e-commerce platforms worldwide.

Certified for Quality and Safety: CE Certification Ensuring Compliance with European Standards

Commitment to Excellence: ISO 13485:2016 Certified for Medical Device Quality Management

Certifications

Why Choose Surgifort Industries?

Surgifort Industries stands out for its over 30 years of experience in manufacturing high-quality surgical instruments. We offer a wide range of over 16,000 products, including bespoke solutions, backed by advanced in-house production capabilities like PVD coating, laser marking, and precision machining. Our commitment to quality is reflected in our ISO 9001:2015, ISO 13485:2016, and CE certifications, ensuring strict adherence to international standards. Trusted by clients worldwide, including the Ministry of Health in Morocco, we are expanding into the B2C market via platforms like eBay and Amazon. Our customer-focused approach ensures exceptional service, innovation, and long-term partnerships.
